

2025 Pets and Housing Awards Nomination Submission Instructions

There are several different ways to submit your nominations, so nominating an organization, property, or individual is easy!

Submission Deadline is March 30

HOW TO SUBMIT YOUR AWARD NOMINATION

Submission Options

1

Upload a video demonstrating why the organization, property, or individual should win the [award category](#) to your favorite video-hosting site, such as YouTube (unlisted is fine), Vimeo, Dailymotion, etc. Then include a link to the video in the submission form. Video must be 2 minutes or less.

2

Create a slideshow using photos and convert it into a video (mp4) via a video-making tool like Vimeo Slideshow, Canva, Animoto, or a similar tool. Then include a link to the video in the submission form. Video must be 2 minutes or less.

3

Simply submit photos or create a slide deck using photos or any other content that demonstrates why the organization, property, or individual should win the award category. Attach them in the submission form.

Additional Submission Information

- Each submission must include a written description of why the organization, property, or individual should win the award category. Use as many words as you need to make your case.
- If applicable, please include a high res logo for the organization or property that is being nominated, as well as some high res photos of the property or individual, if possible.
- You may submit for as many award categories as you wish, but please submit one form for each organization, property, or individual you are nominating.
- You can read about each award category on our [Pets and Housing Awards](#) web page.
- If you need help with the submission process, please contact PIHI Senior Program Manager, Sara Maria Muriello: s.muriello@foundanimals.org
